In brief, schedule driven call and it is obvious it is still in development

Question for [Ex. 7(c)] is under impression the Administrator identified several sports related friends or acquaintances he has in Italy? He is looking for their names and affiliations.

Bologna
- Florence handling security for Bologna

Administrator has decided to utilize the train

[Ex. 7(c)] will accompany Millan to Italy to conduct the staff advance. Asking if May 30th is enough time to conduct the advance - he arrives on the 5th - and a weekend is in there.

Will ask them to put a walk thru schedule together and we'll see if that provides enough time

We will need to develop advance teams - sooner than later. Already asking about hotel rooms
